General Guidelines

WE ARE A NON-SMOKING FACILITY.

Specialized Activity area's will be open for the time period agreed upon when your contract takes effect. We reserve the right to limit specialized activities based on weather conditions. Use of these areas is **only permitted** with a YMCA Camp Lincoln staff member present, including the area inside the waterfront fencing/docks.

YMCA Camp Lincoln will have a designated staff member available on the grounds on the day of your event to address any questions, concerns or emergencies.

Groups have access to those facilities agreed upon by contract. All additional activities planned by your group must be approved by your designated YMCA Camp Lincoln staff member.

The contact person or designee must be the first one to arrive and check-in with the designated staff member. A walk through will take place and a written list of noted damages or concerns will be created. At the end of the program the contact person or designee will walk the property with the designated staff member and look for damages, concerns or excessive cleaning concerns. Rental groups will be responsible for all repair/cleaning fees.
